## **Friends of the Quethiock Parish Hall: "The Masons' Arms" will be open on**

**Friday, April 27 for a social evening** in the refurbished Quethiock Parish Hall. For this one night only, we will offer drinks at deeply discounted, almost supermarket prices! **Open from 7 pm to 11 pm.** Drop in for a drink, a chat or even some traditional pub games (darts, shove ha'penny, table skittles). We will also have free snacks. The original Masons' Arms in Quethiock closed in 1922. If you think over 95 years is too long for a village to go without somewhere to relax and socialize, then come along and try us.

**Quethiock School** was very surprised to see the snow fall for the first time in a few years. Once we got back to normal every Tuesday Vicky from Arena Sports has been visiting the school and teaching the KS2 children how to play Tag/touch Rugby. The younger Children have been visited by Alex Robinson who has been putting them through their balanceability paces. The children really enjoy the activities and have all showed real progress. The school sent a team of runners off to Landrake Cross Country. The team were all delighted to be wearing the new running kit, very generously paid for by the Parish Council.

In the classroom the children have been looking at their topics, World War 2 for our older children and the younger ones have been looking at Inventions. The children are also building robotic sculptures and would be grateful for any donations of nuts, bolts and old keys that anyone can spare.

The pre-school children are looking forward to welcoming some new faces in April. If you are interested in visiting our pre-school please call us on 01579 343588 to arrange a visit.
