## QUETHIOCK PARISH COUNCIL

### Footpaths and Bridleways

Thank you to those who have volunteered to help with surveying the footpaths and bridlepaths in response to our appeal for help in the last newsletter. **If anyone else wants to help**, please contact the Clerk, Matthew Wald, by phone 01579 342053 or email [clerk@quethiockparishcouncil.gov.uk](mailto:clerk@quethiockparishcouncil.gov.uk).

### Defibrillators

The Parish Council has approved the acquisition of a further defibrillator to be stationed in Trehunist, in addition to the existing ones in Quethiock and Blunts. A reminder to take a moment when you are passing to familiarise yourself with them ( they are in the former telephone boxes ), just in case...

We are also planning to repaint the telephone boxes in the near future, as they are beginning to look a bit "tired".

### Community Benefit Fund

Alison Jeffrey and Mary Ann Parsons have been working on leaflets about the history of the parish, including a "Village Trail" guide. Payment for these from the fund has been approved. They should be going to the printers shortly.

If anyone has any requests for funding for projects which are "for the benefit of the community", please email [clerk@quethiockparishcouncil.gov.uk](mailto:clerk@quethiockparishcouncil.gov.uk)

## **Our next meeting will be held on Monday 19<sup>th</sup> September 2022 in Quethiock Parish Hall at 7pm**

There has been a report of vandalism and theft from the honey 'honesty box' outside Orchard Rise in Quethiock. Could everyone please keep an eye out for anything suspicious.

The **Mobile Post Office** comes to the Quethiock Parish Hall on **Wednesdays** from **9am-10am**. Why waste time and petrol going to Liskeard to purchase stamps, pay bills and withdraw money when you can do these things right in the village? **Let's support our mobile post office so that this valuable service continues to be available to us.**

Quethiock held its first Horticultural Show since 2019.

The Jubilee themed event was well supported on a glorious day and opened by Alfie Welch, winner of the Royal fancy dress competition. Many cream teas and ice creams were enjoyed, while The Halfway Harmony Singers provided some lively entertainment.

Bowling for the Pig proved to be very popular and won by a visitor all the way from Islay. The Car Boot sale, food raffle, treasure hunt map and the main raffle were also big draws, alongside the St. Hugh's cake stall and Brain Oldham with his stand on Old Liskeard.

Ladies from the local Craft Group had constructed a model of Buckingham Palace balcony and had knitted the Royal family, which was much admired by all!

Many thanks go to our very generous show sponsors, without whom we would be hard pushed to put on the Show, all the judges, the committee and all those who volunteered to lend a hand.

A fun afternoon was had by all.

Many thanks to all of our friends and neighbours in Quethiock who supported Eve, Lowenna and I in our recent Race for Life in Plymouth. We were able to raise £556.25 which will go towards the research needed to find new ways to treat this disease.
